

PIPELINE

It rained on our parade

This year's Brigadoon was a soggy event.

It was a wet and rainy morning that greeted the masses at Bundanoon this year for "Bundanoon is Brigadoon". However, that didn't stop a good turnout for the Canberra Celtic Pipe Band, with a number of new players and dancers joining the ranks.

Recent Performances

- **St Patrick's Day March, Sydney**
- **Celtic Moon Festival**
- **Folk Festival**
- **Bundanoon**
- **Yass Anzac Day Parade**
- **Irish Club Open Day**
- **Eurovision Song Contest Evening**

Upcoming Performances

- **Heather's wedding - June 9**
- **Sutton Forest - June 10**
- **Turning Wave Festival - September 16**

YASS ANZAC DAY PARADE

The band again took part in the Anzac Day parade at Yass. After the parade along the main street, Stephen Ross played Flowers of the Forest from the parapet as part of the ceremonial aspect of the event.

The local RSL again provided a lunch after the parade, which the band and dancers performed at. The dancers, Joshua, Clare, Zufi and

Zoe did a great job, despite having to contend with an ultra slippery stage and wet dance shoes.

This year's parade also marked Darren's debut public performance on the pipes - congratulations on getting into uniform and up on the pipes, Darren!

RECENT FESTIVALS

The band has made a number of appearances at recent festivals in Canberra, including the Multicultural festival, the National Folk Festival and the Celtic Moon Festival.

The performance at the Multicultural Festival was in the evening this year and unfortunately the weather did all that it could to keep the crowds away. However, the sounds of the pipes and drums managed to draw out those that had braved the cold and rain.

The Celtic Moon Festival was a new festival for the band, being held on the banks of Lake

Tuggeranong on St Patricks Day. The band and dancers yet again performed to an appreciative crowd.

All of our recent performances have boosted interest in the pipe band and dance school, with many new learners coming along over the past few months to learn instruments and to join the dancers. This is the best way that we have of recruiting people for the band, so don't forget to make sure that you have a supply of business cards to hand out to people at events or any time that you are out and about practising or playing in public.

BAGPIPING RECITAL & WORKSHOP WEEKEND

The Canberra Piping Club presents a bagpiping recital and workshop weekend on 7th and 8th July 2007 at the Burns Club. A number of workshops are being held on the Saturday at a cost of \$60 for the one hour workshop (\$55 for Canberra Piping Club members), and individual lessons are available on the Sunday at a cost of \$35 for an hour. These individual lessons are held with one of three world class pipes - Richard Hawke, Stuart Easton or Andrew Roach. Finally, there will be a recital on the Saturday evening at a cost of \$20 for adults, \$10 for children or \$15 for Canberra Piping Club members. Please see the attached flyer for more information and a booking form.

The band would like to thank John Roxburgh, who has joined us in several recent outings as Drum Major. His appearance at Bundanoon was another impressive display of drill and macework and we hope that John will be able to join us at further parades in the future.

FROM THE LIBRARIAN

There have been some new additions to Website resources.

Large versions of basic tunes have been created for any vision impaired members - if any enlargements, landscape instead of portrait paper or smaller copies are required for specific purposes please approach Stephen Ross as it is quick to do.

There are some resources about Hearing - CCPB does suggest that for group practices that hearing protection should be considered. Simple disposable foam ear plugs are all that is required available from most Hardware shops. More expensive Musician plugs are available. They should also be considered for long practices on bagpipes or drums at homes.

The Drum scores are being increased but do need review from the Drum Section and should be considered as works in progress.

There are some new sections in the Learner's guides e.g doublings.

Please ask for your Green folder or Pink folder to be updated or download the latest version from the Website (www.canberraceltic.org)
